Building a better future for Canada, one bold step at a time.

AUTHORIZED BY THE OFFICIAL AGENT FOR

The Green Party of Canada fights for bold change—protecting our climate, creating good green jobs, and building a fairer future for all.

Peace & Security

We will protect Canadians from today's threats and continue to work for global peace.

Climate Action

We will protect our kids and communities by cutting fossil fuel pollution and making Canada a world leader in clean energy.

Fair Taxation

We will close unfair tax loopholes and take action to ensure the ultra-rich and big corporations pay their fair share.
